REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

The claims are allowable over the prior art for at least the reason that the prior art fails to reasonably teach or suggest a structure for allowing rotation of said mirror about and said longitudinal pivot axis and rotation of said mirror about said longitudinal pivot axis moves said mirror between an inboard position and an outboard position, said inboard position and said outboard position being disposed 90 degree apart from each other around said longitudinal pivot axis, said mirror having a longer dimension and a smaller dimension to define said generally rectangular shape and said longer dimension extending generally parallel to a horizontal plane when said mirrors is in said inboard position, and said longer dimension of said mirror extends generally vertical when said mirror is in said outboard position, with said outboard position being pivoted in a direction away from the vehicle from said inboard position as set forth in the claimed combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
